Mr. C. L. Max Nikias
Principal
Southern California Elementary School
3551 Trousdale Parkway
Los Angeles, CA, 90089

Dear Mr. Nikias:

I am a May 2014 graduate of the USC Rossier School of Education where I earned my Master of Arts in Teaching with a Multiple Subject Concentration. I am interested in applying for the Teacher position at Southern California Elementary School for the 2014-15 school year that was posted on the USC Career Center's job board. I have attached my resume for your review.

In applying for this position, I am in search of an opportunity that will allow me to utilize my combined education and professional experience to have a meaningful impact in the field of education. I am particularly drawn to your school's mission of improving education in urban environments. Having taught in urban schools myself, I am familiar with the challenges and rewards of teaching students in this context. Thus, a teaching position at Southern California Elementary School is an ideal fit.

Over the past year, I have served as a Student Teacher at Culver City Elementary School for a kindergarten class, as well as a 4th grade class. Through this experience, I have developed a successful record for student achievement, and demonstrated a sincere commitment to the educational advancement of my students. In addition, I have successfully implemented innovative teaching approaches utilizing technology to enrich student learning and engagement. Lastly, I am fluent in written and spoken Spanish and am able to communicate with parents and families from Spanish-speaking households in order to actively engage them in their child's educational experience.

I am confident that my knowledge, experience and commitment will only enhance your educational staff. Please do not hesitate to contact me if you require additional information. Thank you for your time and consideration.

Sincerely,

Tammy Trojan
